Telephone number.....

In order to insure a systematized internship training program , I there-up-on, express to enter into the Internship Contractual Agreement with the Director of the Aviation Personnel Development Institute, Kasem Bundit University as follows:

1. I have already registered AIM493 Internship / Special Project.
2. I shall conduct myself as stipulated in the covenant of Kasem Bundit University and the internship program sponsor (s) with strict precision.
3. I shall maintain all equipment of the training facilities that I received in good condition and shall cause no damage hereon.
4. I shall obey order (s) and recommendation (s) received from the supervisor (s) during the internship period.
5. I shall not, by all means, neglect my assigned responsibilities unless there are unforeseeable circumstances resulting in incapability to perform my duty and I shall notify the Aviation Industry Management Program, Aviation Personnel Development Institute immediately.
6. I shall not conduct myself in which such conduct (s) shall tarnish reputation and image of Kasem Bundit University and the internship program sponsor (s).
7. In the eventuality that I cannot fulfill the contractual agreement, I shall allow Kasem Bundit University to penalize myself accordingly.

I have read and understood the content of the aforementioned contractual agreement in particular. I thereby enter my signature below.
